**BSJ Care Center: A Bethany St. Joseph
Corporation Facility**

Inspiring Life, Hope and Healing

**BSJ Care Center's Enhanced Therapy
Program includes a private room at no
additional charge.**

Participation expectations include:

A stay of 2-8 weeks depending upon progress in therapy and home going goals;

Two therapies for a minimum of 2 hours per day as tolerated;

Participation in the "Walk/Wheel to Dine" program for at least one meal per day as tolerated;

One to two weeks participation in the Restorative Nursing Program in preparation for going home.

If for some reason, your stay is extended beyond the Enhanced Therapy Program, a transfer to a non-enhanced room would be required.

Wondering if you may qualify? Call Lori at BSJ Care Center for more information.
