

# Shelby Terrace Tenant Newsletter – Fall 2021

*Dear Tenants,*

*Thank you for your continued patience during the COVID – 19 Pandemic and for your diligence in wearing your face coverings in the hallways and common areas.*

*Please come to Lesa (or call) with any questions or concerns you have! 608-788-4477*

*Thank you!*

## **COVID-19 Updates**

Although we are 80% fully vaccinated here at Shelby Terrace, it is important to note that it is still possible to contract a breakthrough case of COVID – 19.

Due to the high level of positive cases in the community, the Centers for Disease Control (CDC) and the Wisconsin Department of Health Services (DHS) recommend the following preventive measures, regardless of vaccination status:

- **Avoid crowds and poorly ventilated spaces**
- **Wear a face covering when going out in the community**
- **Wear a face covering in the hallways/common areas of the facility**
  - **Wash/sanitize your hands frequently**
  - **Maintain physical distancing**

**All visitors to the facility are required to be screened by staff at the front entrance (Door A) prior to entering the facility.**

**All visitors to the facility are required to wear masks in the hallways and common areas, regardless of vaccination status.**

**Visitors who have been diagnosed with or exposed to COVID – 19 in the past 14 days, are experiencing symptoms of COVID – 19, have a temperature of 100.4 degrees or higher, or are not vaccinated and have traveled in the last 10 days MUST postpone their visit.**

We plan to hold a COVID booster shot clinic at Shelby Terrace in the future.

**However, if your Primary Care Provider (PCP) suggests you receive your booster shot sooner than we can arrange for one here, please follow the recommendations of your PCP.**

If you do receive or have already received your booster shot at a clinic or pharmacy please let Breana or Lesa know.

### **INFLUENZA Updates**

The CDC and DHS strongly recommend Influenza vaccinations in addition to COVID – 19 vaccinations. Thank you to all who participated in our Influenza Immunization Clinic. **If you were unable to attend the Immunization Clinic, but plan to or already have received your Influenza Vaccine, please let Breana or Lesa know.**

### **Severe Winter Weather**

We are still having some lovely fall weather, but soon we could experience winter weather. Staff will post any weather warnings on the exit doors.

### **Tenant Rights – Exhibit F**

Your rights matter to us! If you would like another copy of Tenant Rights, please ask. There is also a copy posted on the bulletin board near the dining room. ***If you ever feel your rights or the rights of another have been violated, please let Lesa know. If I am not on site, please tell a staff person you wish to speak to me.***

### **Maintenance**

Let staff know of any issues you need our maintenance staff to check. With colder weather approaching, take a moment to ensure your thermostats are working properly and that your windows are closed and locked.

### **Tenant Meeting**

Our next Tenant Meeting will be held on **Friday, November 12<sup>th</sup>** at 10:00 am. Our quarterly fire drill will follow at 11:00am. If you have any items for the agenda, please let Lesa know!
