Once upon a time there was a baby virgin born whose perfect life would end as the sacred veil was torn. His death and resurrection would millennia inspire. His message of grace and hope and love would set the world on fire. Eternal life he sought to bring by stepping down from heaven. Mankind can scarcely understand the gift we have been given. So except his loving sacrifice. By trusting in his grace and knowing that you will one day meet this savior face to face.

Happy Easter to all
