

Grateful Hearts

A gifting program that honors your caregivers, when "Thank You" is just not enough.

A simple "Thank You" is very appreciated, but how can you do more, you ask?

Our **Grateful Hearts Program** is a way for you to do just that. It provides you and your family an opportunity to show gratitude to the doctor, nurse, therapist, social worker, volunteer or other caregiver that touched your heart. We invite you to recognize that individual(s), department or program by making a donation in their honor.

Maybe it was a warm smile, friendly conversation, or compassionate care that brought comfort to you or your loved one.

Your gift helps to support the mission of Bethany St. Joseph Corporation, our programs and services, and helps maintain our facilities that offers exceptional care.

Grateful Caregivers

Our staff members are committed to providing excellent service to all. We appreciate that you chose us for your care, home, or service provider. It is our privilege to serve you.

Giving from the heart is as simple as going to our online donation form or completing the attached form and mailing it along with your donation to:

Bethany St. Joseph Corporation
Development Department
2501 Shelby Rd.
La Crosse, WI. 54601

When a gift is made, the individual(s) whom you are honoring will receive an acknowledgment letter along with your personalized note, if you choose to include one. The caregiver(s) will also receive additional recognition throughout the organization.

Your gift is tax deductible to extent of the law.
