Things Going on at Shelby Terrace in September

- Check out the journaling table that Alison put together. It is in the main dining room where the "free" table is located.
- Check out the incubator with our chicken eggs on Monday, September 15th. See how you can help grow our baby chicks and when they will hatch
- Assisted Living week is Sept 7th through Sept 13th. We will be celebrating with everyone that makes our community special. Please see the calendar for special dress-up days and special activities we will be doing.
- Our tenants are now able to utilize the beauty shop at the BSJ nursing home next door. Please reach out to Kacie and she will reach out to set up an appointment for you. Tenants must pay at time of service and must find their own transportation to and from the beauty shop.
- If you are not getting visits from our therapy dog, Zeus, and you would like them, please reach out to Kacie so set this up for you.
- Please sign up for outings as soon as able so we can determine which transportation vehicle we can use.
