Administrator Note

As the leaves begin to change and we wait for the crisp autumn air to settle in, we're ready to embrace all the beauty and coziness that fall brings to our community. From warm drinks and colorful walks to seasonal activities and festive decorations, there's so much to enjoy this time of year!

Along with the new season, we want to let you know that some exciting changes are on the horizon here at Vernon Manor.

1. New Electronic Medical Record System (EMR)

Beginning October 1st, we will officially transition from ECS to PointClickCare as our new electronic medical system. This is a big move that will modernize how we document and deliver care, improve communication between departments, and ultimately help us support more efficient person-centered care. While this change is happening mostly behind the scenes, residents may notice staff asking a few more questions as we adjust to the new system. We know any system change can come with a learning curve, so we appreciate everyone's patience and flexibility as we make this switch.

2. Staff Continental Breakfast Perk

Beginning the first week of October, we're introducing a new continental breakfast perk for all staff members! It's our small way of saying thank you for the incredible care and dedication you show every day.

Be on the lookout for more exciting updates to come!

- Hailey Jackson, Nursing Home Administrator

THANK YOU!

Volunteer at Vernon Manor

Volunteers touch the lives of our residents daily and in return they will brighten yours. Either through helping residents to and from activity functions, playing cards, reading to our residents or writing letters these are just a few fun filled activities you can participate in with our residents. You can touch their lives as much as they well touch yours. We would love to hear from you.

Recreation Department News

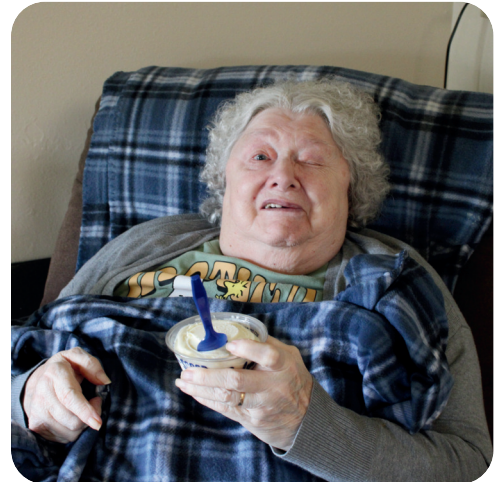

We have had a busy and enjoyable summer here at Vernon Manor.

July was spent making ice cream from scratch, fishing in the building, visits with our BAA Rachel's chickens, music, wine and cheese tasting, bus trip to the Kickapoo Valley Reserve.

August, we received a donation of custard from Culver's, we took part in our Wild West Days Shoot Out and the residents got to watch the parade.

September was busy with the Vernon County Fair, Soup Making, Spending time outdoors soaking in the warm weather. We started fair week off with a corn husking contest. In the afternoon we used the dunk tank where the residents got to throw bean bags at a target to try to get the bucket of water to dumped on the staff member. Corn dogs were served after the event. Tuesday, we had the Vernon County Fair Royalty, Harlee joined us for an afternoon of carnival games and funnel cakes. Wednesday, we had Kevin Mattson play music for us. Thursday, we had Jancee and Violet the pig visit with us as we learned more about pigs and the myths that are true and the ones that are not. Friday, we ended the week with a game of Fair Hangman and Cotton Candy Ice cream Cones. The residents made chicken noodle soup... it smelled amazing in here! We are looking forward to the upcoming events and changing of the seasons
