## Announcements

Happy New Year! As we step into January, I want to wish you and your loved ones a wonderful start to the year. A new year brings a sense of fresh beginnings, and here at Norseland, we are excited about continuing the important work of caring for your loved ones each day.

Winter in Wisconsin keeps us on our toes, but our team is focused on keeping residents safe, comfortable, and engaged. While the cold weather may limit outdoor activities, we're making the most of cozy indoor time with meaningful activities, social connections, and plenty of opportunities for residents to stay active and involved.

I would also like to extend a heartfelt thank-you to our staff, who continue to show up with compassion, teamwork, and dedication—especially during the winter months. Their commitment truly makes Norseland feel like home.

We look forward to a great year ahead and are grateful to share it with you and your loved ones

## Reuben Ellefson

Jan. 17, 1936 - Dec. 6, 2025

Reuben Oscar Ellefson passed away on the evening of December 6, 2025, in the company of family at Norseland Nursing Home in Westby, Wisconsin, the city he called home for nearly 60 years. Reuben was born on January 17, 1936, in Harmony Township, Vernon County, WI, to Elias and Hannah (Hanson) Ellefson.

Reuben served as a U.S. Navy firefighter for two years as a young man, which allowed him to travel to places like Greece, Spain, France, and more, after which he married the love of his life, Eileen Claire Boland, on March 22, 1958, in Chicago. They raised four children together: Daniel Oscar, Barbara Maria, Peder Michael, and Thomas Eric.

A great lover of music, Reuben collected instruments, including a banjo and accordion, though he never learned to play them. Reuben was also an early adopter of technology, and his kids talked about being one of the first houses on the block to have the earliest video game, Pong, as well as one of the first computers in the neighborhood.

Reuben led a very active life and valued hard work and education. He worked for many years at Cooler Company in La Crosse and later at Vernon Electric in Westby, attending classes at the University of Wisconsin-La Crosse. He served on Our Savior's Council and was an original board member and part of the planning committee for Norseland Nursing Home. Reuben was also a member of the Westby Fire Department, the Westby Chapter of the Sons of Norway, and the Wisconsin Woodland Owners Association, in addition to being an active member of the Bethesda Lutheran Church.

Reuben was very active in the Snowflake Ski Club, helping to coach many jumpers, including his sons. He served as the Jr. Ski Club Treasurer and engraved the original nameplates for the hill, in addition to volunteering countless hours prepping the ski hills, transporting jumpers to tournaments, and operating the food stand. Determined to show his children as much of the world as possible, Reuben took his family on camping trips around the U.S., including a memorable trip to Glacier National Park. Later, Reuben traveled with his children and grandchildren to Norway, including Skjåk, where his father was born.

Reuben and Eileen had a large community of loving friends and family, including their "dock neighbors" at the La Crosse Municipal Boat Harbor, where they kept their houseboat, the Solsidvegen, in between camping trips on the Mississippi River, creating many wonderful memories and teaching their grandchildren to fish. To many, Reuben was known as the Lefse King and refused to share his secrets with anyone outside of the family. He was also known as Pinky, Dad, Grandpa, the big kid who played hide-and-seek, and a friend who will be dearly missed.

The family would like to offer heartfelt thanks to his care team and the staff at Norseland nursing home for the love and compassion you showed him during his time there. We are so very grateful.
