Participants can stay active and have fun with our interactive physical activities such as Bingocize (a unique blend of bingo and exercise), dancing, and group seated exercises.

Lunch & Snacks

Participants enjoy a home style lunch served daily at 11:30 AM, followed by an afternoon snack. Assistance is available as needed according to each individual's service plan.

Daily Outings

Participants take part in engaging community outings, such as tours of local businesses, shopping trips, visits to bakeries and coffee shops, and educational sessions at the library. These experiences promote social connection, exploration, and enrichment beyond our centers.

Social & Leisure Activities

Participants can enjoy a variety of board games, baking, quilting, painting, jewelry making, puzzles, crafting, card games, and various interactive word games. These activities aim to promote social connectedness, foster brain and physical health, and empower each participant's independence.
